

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Enough is enough. It is getting harder all the time trying to sort through the lies that are being spoon fed to the American people. We don't need or want one or two corporations to own all of the media. An individual most certainly must search diligently to find the truth as opposed to the propaganda. Please allow the American people a few gasps of clean air. Do not loosen the rules of media ownership. Thank you.
